Dear Congressperson _____,

Please help uphold our democratic right to choose not to support the genocide in Darfur by co-sponsoring and passing **S.831, the Sudan Divestment Authorization Act**, to protect states, cities, and schools who divest from Sudan.

The genocide in Darfur has been occurring since February 2003 and since that time has claimed over 400,000 lives and displaced over 2,500,000 people. More than one hundred people continue to die each day. In response to this horror we ask that you take a moment to consider the destitute situation for all those living in Darfur, Sudan.

I feel strongly about this piece of legislation because _____

If you are supporting this legislation we thank you for working to make a difference in the lives of the tragedy-stricken people of Darfur.

Sincerely,
