Highlights

When Three Equals Four: The New Math of Medical School

From NYU Physician, the Magazine of NYU School of Medicine: This summer, 15 newly minted doctors entered their residencies after just three years of training at NYU School of Medicine. Will these trendsetters become the new norm?

Mount Sinai and Stony Brook Announce Affiliation

Stony Brook Medicine and the Mount Sinai Health System announced that they are entering into an affiliation agreement that includes collaboration on research, academic programs and clinical care initiatives. The institutions launched the
partnership to heighten academic and research synergies and to promote discovery, provide expanded clinical trials for both institutions, and achieve breakthroughs in understanding and treating disease.
